>>> An affordable rental program with great benefits, starting from \$2 a day!

At AIR LIQUIDE *Healthcare* we pride ourselves on looking after our CPAP patients to ensure that they get a good night's sleep. To help all our patients access their therapy we have designed a rental offer that will make CPAP therapy affordable for everybody's budget.

Our flexible program allows you to select a rental period between 1, 6 or 12 months and choose among a number of CPAP units from major suppliers including ResMed, Respirationics and Fisher & Paykel.

Your benefits

- ✓ 3 flexible contracts from 1, 6 and 12 months
- ✓ Access to a wide range of CPAP units
- ✓ Affordable monthly payments starting from \$55/month
- ✓ Free replacement masks, key to therapy efficiency*
- ✓ Free technical support and exchange in case of malfunction
- ✓ Access to ongoing therapy support from our network of professionals

* Conditions apply

THREE EASY STEPS TO START:

1. Meet with an ALH consultant and review your prescription
2. Select a CPAP unit from one of our categories
3. Select the contract duration
